PROGRAM SUMMARY

The CCS Exam Prep is a refresher course designed to assist you with the challenges of studying for AHIMA's Certified Coding Specialist (CCS) examination. Are you ready? Each session is designed to improve, review, refresh, and renew your coding skills.

Each session will offer guidance and practice with multiple choice and medical scenario test taking, as well as recommendations on what you need to do to prepare for the actual exam.

The CCS Exam Prep will include lecture, discussion, assessments and exercises and will target topics most likely to be included in the CCS exam. The CCS Exam Preparation course is designed to help you pass the test! Participants are encouraged to have a current CPT and ICD-10-CM/PCS books available during the webinars.
